Herb Armstrong

Born and bred in New Orleans Herb Armstrong lived the dream of performing the infamous Bourbon St and French Quarter clubs as a daily reality. Sharing stages with Bobby Womack, Missy Elliot and the Neville Brothers, Herb has performed around the nation, including the prestigious entertainment capital of the world, Las Vegas.

Following his heart, Armstrong is now 'Property of Australia', performing the music and memories of his grandfather, the late great Louis Armstrong and the infectious Zydeco and Second Line grooves around the nation in an interactive floor show.

Supported by his seven piece corporate band, The Royal Street Krewe, Herb takes you on an emotional journey: feel the sorrow of a second line dirge; warm to the stories and jokes of his grandfather Louis; experience the joy and exhilaration of dancing like you are live at Mardi Gras!

Clients include Subaru, Westpac, Watpac and Cisco Systems to name but a few.

Herb Armstrong along with his seven piece band are perfect for all events including corporate, private and weddings.
