Ingrid James and The East Coast Ensemble

Ingrid James &
The East Coast
Ensemble

Ingrid James and The East Coast Ensemble draws its inspiration from the Cannonball Quintet era of post 50's, with a goal to reconnect with audiences. It presents effective and cool arrangements using voice and horns in the tradition of "classic" jazz from this era.

Bringing together Brisbane's award winning vocal diva and an all star band, The East Coast Ensemble presents a fresh, vibrant and exciting new perspective to Queensland's jazz scene. Music that's soulful and articulate, The East Coast Ensemble brings the swing back to contemporary

jazz, engaging audiences with style and energy.
