## The Elements

The Elements have established themselves as one of Brisbane's most popular cover bands, accumulating a long list of very happy clients, many of whom have used them on a repeat basis year after year.

Experienced and professional in every way, all band members share an enthusiastic passion for music and entertaining, displaying a rare blend of vocal and instrumental talent, delivering an energetic, fresh and interactive performance.

Whether it's an intimate gathering or a major five star corporate event, The Elements have the versatility and

production to suit your requirements. Enjoy the subtle sounds of their acoustic material over dinner then "go off" on the dance floor to their huge selection of party songs.

The band is available as a duo, trio, through to an 8 piece line up with horn section and are constantly building on their varied repertoire of popular songs spanning the 60's through to current radio hits.
