Billy Jo

Captivating, creative and soulful musician with a beautiful voice that defines her physique. Warmth and memories will fill the room for those that come to listen to her perform. Jo also plays guitar, accompanied by her original and easy to listen to style of voice, Performing all different styles of music, she will surprise you with new, popular and old tunes presented in a fresh and dynamic way. JO is a natural performer with a stunning voice who loves life and entertaining. Jo has played in many different line ups and with many famous people like Phil Emmanuel, Willie Reed, Lyndy Lou from Sister Madly, just a

name a few. She has been touring all over Queensland and the Whitsunday island groups for the last 10 years.

Bill Franken - Guitars & Vocals

Bill has a warm welcoming voice with velvet undertones and beautiful guitar work that matches. Bill Franken has been in the industry for a long time and has always produced an exciting range of music to listen to. He has played with many different bands like Taurus, Dual Kontrol, just to name a few. A true approach with a too cool for school approach he takes pride in his work in a professional manner.

Together as Billy Joe, Jo and Bill make a great team and provided a huge range of great listening tunes with beautiful produced backing tracks that enhance an already very full sound.
