Stacey Broughton

Stacey
Broughton

Stacey Broughton is a consummate performer and a versatile entertainer with a passion for jazz. Stacey's performance history ranges from small cafes and restaurants to large concert halls at the Queensland Performing Arts Centre, to festivals of thousands. Over the years Stacey Broughton has acquired an extensive repertoire from artists including: Sarah Vaughan, Ella Fitzgerald, Nancy Wilson, Dinah Washington, Julie London, Astrud Gilberto, Sergio Mendes and Brazil 66, Nina Simone, Peggy Lee, Eartha Kitt, Anita O'Day, Etta James, Dakota Staton, Shirley Horn, Billie Holiday, Frank Sinatra, Dean Martin

and more. She also sings the Burt Bacharach songbook from A to Z.

Duo - The Stacey Broughton Duo creates a relaxed yet sophisticated ambience, with Stacey crooning your favourite jazz standards over the subtle strains of either piano or guitar.

Trio - Add a double bass to the above combo, and the sound deepens, filling the room with the soulful sound only an acoustic bass can provide.

Quartet - If you take the Trio and add drums, you've got a streamlined, swinging combo perfect for weddings, functions, and any other occasion on which you'd like to kick up your heels!

Septet - Add a 3 piece horn section and watch this little big band swing!

Stacey Broughton is suitable for all events including weddings, corporate events, cocktail functions and private events.
