Bradley McCaw

Bradley McCaw & The Get Happy's (BM & The GH) are bringing back the presence and style of 'the jazz clubs of old.' Featuring old time stage presence, some of Brisbane's finest musicians and lead by the beautiful tenor voice of Bradley McCaw, BM & The GH bring you a night of first class entertainment.

In the spirit of Frank Sinatra, Ray Charles and even Michael Buble, BM & The GH are committed to fun, fresh and moving renditions of traditional jazz standards like 'All The Way,' 'Autumn Leaves' and bringing new life to contemporary songs like

'All I Want is You' (U2) and 'Hallelujah' (Leonard Cohen)

With countless lead roles in musicals across Queensland and International Touring with singing group 'The Ten Tenors,' Bradley McCaw started BM & The GH as a side project to flex his jazz vocal muscles. But through 2009 as demands grew, they were featured at conferences, parties, wedding and corporate events including performances at Brisbane Convention Centre & Powerhouse.

BM & The GH are at the their strength as a feature act or band, but can be used as background music.

If you want to dance, sing along or be crooned, look no further. Bradley McCaw & The Get Happy's will get your night cooking with a new taste of an old favourite.
