Bushland Boogie

With a repertoire covering not only traditional Australiana, but also Classic Oz Rock, Country, Bluegrass, 60's and 70's the band has the versatility to cater for any audience.

With dance caller Maggie giving instructions, even those blokes with two left feet will soon be kicking them up in style! A typical night includes all the traditional Bush Dances, as well as lots of party dances...the Chicken Dance, Mexican Hat, Nut-bush, Hokey Pokey...which are always favourites with the kids.

Then there are Waltzes, Barn Dances, Gipsy Taps and of course good old Rock'n'Roll.

The songs in between will range from traditional Australiana to the more contemporary songs of Slim Dusty, Paul Kelly, Men at Work, Shane Howard, and even Cold Chisel.

If you like Country music, you'll love the renditions of songs by the Eagles, John Denver, Glen Campbell, Anne Murray, Willie Nelson and many more.....
