## **Elegance Jazz Song List**

Tea for two  
Temptation  
That old black magic  
That's all  
The best is yet to come  
The boy next door  
The first time ever I saw your  
face  
The lady is a tramp  
The nearness of you

The surrey with the fringe on  
top  
The very thought of you  
The way you look tonight  
These foolish things  
They can't take that away  
from me  
Time after time  
Unforgettable  
What a difference a day made  
What a wonderful world

What the world needs now  
With a song in my heart  
You and the night and the  
music  
You'd be so nice to come  
home to  
You're gonna make me lone-  
some when you go
