Aj The Entertainer

Being in the audience at on of Aj's shows is much like sitting in front of a radio, switching the dial from one channel to the next and trying to decide on a song to listen to.

As he showed us on Australia's Got Talent, Aj has the ability to manipulate his voice, facial expressions and movements to whichever character he is portraying. AJ is also a Magician, circus performer, Elvis Impersonator, Fire Twirler etc..

For more information on Aj The Entertainer along with more professional entertainers, magicians and performers contact Brisbane Bands And Entertainment Services on **07 33505078**.
