### Adam Power Song List

- |                        |                                |                             |
|------------------------|--------------------------------|-----------------------------|
| 3am                    | Breaking the girl              | Drive                       |
| About a girl           | Brick                          | Drive                       |
| Across the universe    | Brown eyed girl                | Drops of Jupiter            |
| Ain't seen nothing yet | Bullet with Butterfly wings    | Dumb things                 |
| Alive                  | Bus stop (The Hollies)         | Dust in the wind            |
| All apologies          | California Dreamin             | Eight days a week           |
| All for you            | Can't always get what you want | El conda pasa               |
| All shook up           | Cast no shadow                 | Everybody's talkin          |
| All torn down          | Cathy's clown                  | Everything I own            |
| Alone with you tonight | Cats in the cradle             | Fall at your feet           |
| Already Gone           | Cecilia                        | Father and son              |
| Always on my mind      | Cherry Cherry (medley)         | Flagpole sitta              |
| Amazing                | Closing time                   | Flake                       |
| America                | Come as you are                | Fly away                    |
| American pie           | Comes a time                   | Follow me                   |
| Ana's song             | Copperhead Road                | Four Seasons in one day     |
| And I love her         | Counting the Beat              | Four to the floor/Sway      |
| Angie                  | Crazy                          | Free Fallin                 |
| Annie's song           | DAF                            | From me to you              |
| Apple Blossom          | Dammit                         | Girl you'll be a woman soon |
| Bad Moon Rising        | Dancing in the moonlight       | Give a little bit           |
| Bee Gees Medley        | Daughter                       | Glory Days                  |
| Better be home soon    | Day after day                  | Glycerine                   |
| Better man (Pearl Jam) | Disarm                         | Golden Brown                |
| Better Man (Robbie)    | Distant sun                    | Grease (Frankie Valley)     |
| Bizzare love triangle  | Dock of the bay                | Half the world away         |
| Black                  | Dolphins cry                   | Handle with care            |
| Blackbird              | Don't Change                   | Hanging by a moment         |
| Blowin in the wind     | Don't look back in anger       | Hard days night             |
| Boys don't cry         | Driftwood                      | Heart of gold               |
| Breakfast at Tiffany's |                                | Heartspark Dollarsign       |

### Adam Power Song List

- |   |                              |                              |
|---|------------------------------|------------------------------|
| Heaven                                      | Last kiss                    | One headlight                |
| Heavy heart                                 | Layla                        | Otherside                    |
| Here there and everywhere                   | Let it be                    | Paint it black               |
| Hey Jealousy                                | Lightning crashes            | Passenger                    |
| Hitchin a ride                              | Like a rolling stone(medley) | Patience                     |
| Holy grail                                  | Listen to the music          | Peaceful easy Feeling        |
| Horse with no name                          | Locked out                   | People are strange           |
| House of the rising sun                     | Lodi                         | Pineapple head               |
| Hurricane(medley)                           | Look what you've done        | Plush                        |
| I Alone                                     | Lookin out my back door      | Pretty woman                 |
| I can see clearly now                       | Losing my religion           | Private Universe             |
| I could have lied                           | Love her madly               | Proud Mary                   |
| I got you                                   | Love the one you're with     | R.O.C.K in the USA           |
| I saw her standing there                    | Man on the moon              | Real world                   |
| I should have known better<br>(The Beatles) | Message in a bottle          | Ruby Tuesday                 |
| I was only nineteen                         | Message to my girl           | Runaway                      |
| I'm a believer                              | Michelle                     | Runaway train                |
| I'm gonna be (500 miles)                    | Minority                     | Saltwater                    |
| I've just seen a face                       | Mr. Jones                    | Save tonight                 |
| If you could only see                       | Mrs. Robinson                | Scar Tissue                  |
| Imagine                                     | My Happiness                 | Sea of love                  |
| In between days                             | My own worst enemy           | Selling the Drama            |
| Interstate love song                        | Needle and the damage done   | Sex and Candy                |
| Into your arms                              | No Myth                      | She's always a woman         |
| Jack and Dianne                             | No Rain                      | She's not there              |
| Jackie Wilson Said                          | No woman no cry              | Shimmer                      |
| Karma police                                | Norwegian wood               | Shivers                      |
| Knockin on heavens door                     | Nothing ever happens         | Should I stay or should I go |
| Lady Darbarnville                           | Ob-bla-di-ob-bla-da          | Sister golden hair           |
| Land down under                             | Old Man                      | Slide                        |
|   | One                          | Smooth                       |

## **Adam Power Song List**

So Beautiful	Throw your arms around me	You've got to hide your love
Something in the air	Time of your life	away
Sonnet	To her door	
Sorry Suzanne	To love somebody	
Space Odyssey	Tomorrow Wendy	
Stand by me	Under the milky way	
Steal my kisses	Unforgiven	
Still the same	US Forces	
Stuck in the middle	Vincent	
Sullivan Street	We can work it out	
Summer Breeze	Welcome to paradise	
Sunny Afternoon	What I like about you (med-	
Sweet Caroline	ley)	
Sweet home Alabama	What's my scene	
Sympathy for the devil	When I come around	
Take a picture	Where do the children play	
Take it easy	Where do you go to my lovely	
Talkin bout a Revolution	Why does it always rain on me	
Thank god I'm a country boy	Wild Horses	
That'll be the day	Wild World	
The Boxer	With a girl like you	
The first cut is the deepest	With or without you	
The Gambler	Woman	
The Joker	Won't back down	
The Metre	Wonderwall	
The one I love	Would	
The sounds of silence	Yellow	
The way	You can call me Al	
There she goes	You weren't in love with me	
These Days	You've got a friend	
Things we said today
