The Soul Men Blues Brothers Tribute Band

The Soul Men Blues Brothers Tribute Band is a Brisbane Based tribute show that was formed in mid 2009 in response to a call for a Soul Rhythm and Blues review in South East Queensland. The resulting band has been named The Soul Men and they have presented their tribute to the Blues Brothers at several venues from Tweed Heads to Ipswich, and north to the Sunshine Coast.

Soul Men is a 12 piece band that comprises some of the finest musicians in Queensland, with members coming from the Gold Coast, Brisbane, and the Sunshine Coast.

The Soul Men perform faithful reproductions of Blues Brothers numbers in a high octane scintillating musical entertainment experience, and is versatile enough to provide music in a variety of other styles - with choreographed dancing, scripted jokes, professional acting, and you have a complete entertainment package.
