## Neil Finn Tribute

The Neil Finn Tribute Show pays homage to one of New Zealand's favourite sons - Neil Finn.

Performed by accomplished singer / guitarist Paul Lines, the Neil Finn Tribute Show is based on hit songs from Neil's solo and duo career with brother Tim and the ever popular bands Split Enz and Crowded House.

Paul Lines has toured extensively throughout Australia, Europe and the UK. His versatile vocal range allows him to emulate the power of vocalists including Jeff Buckley, Roy Orbison, John Farnham and George Harrison.

If you enjoyed the abstract song-writing of Neil Finn and his unique sound, then you will enjoy the Neil Finn Tribute Show.
