The Electric 80's Show

An absolute powerhouse performance from this guaranteed-to-please tribute band that transports you right back to the Eighties.

The incredible 80s era of music is captured and faithfully reproduced by some of Brisbane's highest quality musicians.

From The Eurythmics to Cyndi Lauper to Van Halen, The ELECTRIC 80s SHOW perform all the biggest and best songs from 1980 to 1989.

The Electric 80's show is fully costumed and the entire stage themed for that big 80s vibe. It will be a night for you and your guests to re-

member as everyone is taken back in time. The ELECTRIC 80s SHOW meticulously reproduces the sounds and the light shows that were a trademark of the Eighties music era.

This exciting band will burst onto the stage as the quintessential 80s concept band for Australia. Every song is a hit in this musical tribute which includes many dance floor magnet pop classics that epitomise the best of the electronic early Eighties through to the explosion of the pop culture songs from the late Eighties. The biggest rock and glam bands of the Eighties are also featured and this fantastic combination of music is sure to keep everyone on the dance floor.
