The Fabulous Sounds Of The Sixties Show

“THE FABULOUS SOUNDS OF THE SIXTIES SHOW” features great costumes, amazing vocals and is jam-packed with great fun.

The Fabulous Sounds Of The Sixties Show takes you on a magical mystery tour to the fabulous days when love-ins were in, peace was cool and flower power was happenin’.

Featuring the Darren J. Ray Band who perform hits from artists that include The Beatles, The Beach Boys, Gene Pitney, Roy Orbison and The Mamas & The Papas bringing you a kaleidoscope of music and magic that takes you on a journey back to the 1960s.

Who can forget timeless songs like Twenty-Four Hours From Tulsa, California Dreamin’, Oh Pretty Woman, I Want To Hold Your Hand, Georgy Girl, The Twist and Suspicious Minds, just to name a few?

The band is supported by a teenage all-girl group The Love Bugs who sing hits such as Be My Baby and Da Doo Ron Ron, before backing the main band as singers and go-go dancers.

The Sounds Of The Sixties Show is hosted by 4BH’s funny man, Greg Newman and has won Best Production Show at the last three annual “Entertainer of the Year Awards” for Clubs in South Queensland.
